

Adventist Health Portland

Nova Glucometer

Online Competency Instructions

Nova Glucometers are used for bedside patient care at Adventist Health Portland. Training consists of two parts:

- **Part 1:** Complete the online competency by going to:
<http://www.brainshark.com/novabio/statstrip?tx=portlandadv>
Enter your First and Last name, email, and the other credentials as shown in the example below.
- **Part 2:** You will complete a live demonstration with a member of our Clinical Education staff or with your Clinical Instructor on your 1st day of clinicals.
